

UNIVERSITY MEMORANDUM

MEMO NO. : Memo 26-27:03
DATE : June 9, 2026
TO : The AdZU Community
SUBJECT : **Invitation to the National Signing Day for the *Dapat Isa Lang* People's Initiative**

On June 12, 2026, Independence Day, Ateneo de Zamboanga University will host the National Signing Day for the *Dapat Isa Lang* movement at the ACCA Gallery of the Peninsula and the Archipelago.

Dapat Isa Lang is a non-partisan, nationwide People's Initiative that seeks to support the passage of a genuine anti-political dynasty law through a proposed bill that limits members of the same family from holding elected positions at the same time or in immediate succession. AdZU, through the Social Development Unit, is serving as the Zamboanga City District Chapter Head for this initiative.

As a Jesuit university, AdZU values responsible citizenship, informed participation, and concern for the common good. Hosting this activity is part of our commitment to provide spaces where members of the community may take part in civic life in a peaceful, principled, and conscientious manner.

Registered voters who wish to support the petition may sign on **June 12, 2026, from 9:00 AM to 3:00 PM** at the **ACCA Gallery of the Peninsula and the Archipelago**. Members of the AdZU community may also help by sharing accurate information about the activity and by extending hospitality to guests who may come to campus.

Since June 12 is a national holiday, participation in this activity is voluntary. We are grateful to those who, in their personal capacity and according to conscience, may choose to take part.

May this Independence Day remind us that love of country is expressed not only in words but also in responsible action for a more just and accountable public life.

(ORIGINAL SIGNED)

Fr. Ernald M. Andal, SJ
University President
